Dear Prospective Applicant:

Enclosed is a copy of the requirements pertaining to recyclers and scrap processors, together with the proper application forms. Compliance with these requirements is necessary before you may be issued a State recycler license.

Included with this package is a copy of the laws under Title 29-A pertaining to title paperwork requirements and record keeping, as well as an information sheet giving a brief description of what you will need to submit with your application.

If you have any questions concerning the application material, please do not hesitate to contact us at 624-9000 Extension 52143, or by mail at: Secretary of State, Bureau of Motor Vehicles, Dealer and Agent Services, 29 State House Station, Augusta, Maine 04333-0029.

Sincerely,

Susan Harris
